The Centennial Project addresses the issues of not having enough space for adult activities as well as not having enough space at the school. Did you know that there are over 400 children in St. Joan of Arc's k-8 Religious Education Program (REP), in addition to the 350 children in the parochial school? Youth ministries for middle school and high school students (Edge and Life Teen) bring the total number of children receiving religious education to over 800.

The planned expansion includes converting the school cafeteria into the parish hall, updating the kitchen, building a new school cafeteria next to the current gymnasium (including a new kitchen and 8 new classrooms on the second floor), creating a Media Center with computers and a library, and adding an elevator.

To learn more, visit The Centennial Project webpage. Your prayer and generous support will ensure the long term growth and vitality of our parish community. Pledge cards are available in the pews. Over \$50,000 was raised this past weekend. Thank you!

- ✠ Summer has begun (not officially but school is out and the Parish Festival is this week)! I hope to see lots of you at the festival on June 20, 21, and 22 from 5:00-10:00 pm. We still have spots to be filled for volunteers so check the website and sign up...or even give an hour or two when you show up for the evening! Lots of good food, games, entertainment, and just plain fun with your parish family...and at the same time supporting our one major fundraiser for the parish.
- ✠ I hope all of you have time for real rest and relaxation this summer: time for prayer, time for being with family and friends, perhaps traveling to new and exciting places. But do yourself a favor and allow vacation to be a time to quiet your soul (and your cellphones!) and be grateful for this beautiful world of which we are a part. Whether you go away or stay close to home, don't let this summer pass you by like every other day of the year!
- ✠ Finally, thank you for the great response we are getting to the Centennial Project! We are doing great. I just encourage everyone to fill out the pledge card and support this capital campaign. We are a parish on the move and your help will keep us growing, thriving, and being a real powerhouse of evangelization here in Hershey! God Bless!

*Father Al*

*With Much Gratitude...*

We wish to thank the sponsor of the week for advertising in our parish bulletin:

† MINISTRY NEWS

**GRIEF SUPPORT GROUP**

The Consolation/Bereavement Ministry is again offering a support group for those grieving the loss of a loved one, or any other significant loss. Your loss need not be recent, as loss is a very individual thing, and grieving has no time limit. Each session lasts for one hour and will continue for 6-8 weeks. The group is limited to 10 participants. We will meet after the 9:00 am Mass on Mondays, beginning on **July 1**. Please contact Joyce Nolan for more information or to register.

☎ **Joyce: (717) 566-0657**

**KNIGHTS OF COLUMBUS**

At all Masses on **Sunday, June 16**, the Nights of Columbus Council 6693 will be sponsoring Consecration to the Holy Family by inviting each family in the parish to consecrate themselves to the Holy Family and to devote themselves to the ideal model of familial love set by Jesus, Mary, and Joseph. By reading a composed prayer aloud at the end of mass, each participant is consciously choosing to be a beacon of God's love through his church. We suggest that each family pray together each day for the week leading up to June 16. We encourage a fast from something a week ahead of the consecration. We encourage each member of all parish families to go to confession the week prior to June 16 in preparation.

**I THIRST**

Join us for a bible study on Romans 8:1-17 on **Wednesday, June 19** in the Parish Center. Please prepare for this by reviewing the scripture and noting questions you may have. Bring your bible, paper, and a pen and be ready to learn!

**MORNING STAR**

We have HEART (abortion recovery) at Morning Star. Following an abortion, many women and men experience initial relief, as the perceived crisis is over and life appears to normalize. For many though, the crisis is not over. Months and even years later, countless women and men continue to experience pain and grief. Morning Star recognizes the need for a safe, confidential environment for individuals to seek help and healing. We will be beginning our next HEART (Healing the Effects of Abortion Related Trauma) Support Group in mid June. If you or someone you know needs hope and healing, contact Linda. *All inquiries are confidential.*

† MINISTRY NEWS

**ROAD TO KINDNESS**

This week we want to share with you a wonderful inspirational video prepared by Above Inspiration entitled "Be Kind!" Please watch the video and listen to the touching stories of how being kind can impact a person's life! Here is an excerpt:

This story is told by a cab driver. It was 2:30am and he was asked to pick up a customer. He went up to the door and knocked on it and an elderly woman in her 80's came to the door. She had small suitcase and the cab driver said he would put it in the cab. He came back and the elderly woman took his arm as he helped her to the cab. The elderly woman continued to thank the cab driver for his kindness and the cab driver said I treat all my customers as if they were my mother. The elderly woman asked the cab driver if he could take her through the town first – she said that she is going to hospice. The cab driver looked in his rear-view mirror and saw the elderly woman's eyes glisten with sadness. She said that she does not have any family and the doctor told her that she does not have long to live. At hearing this, the cab driver shut the meter off. For the next few hours, the cab driver took her all over the city to see the places she remembered. As the sun started to come up, the elderly woman said she was ready to go the hospice location. When the cab driver arrived at the hospice location, the elder woman was greeted at the door and they had a wheelchair ready for her. The cab driver got her suitcase and took it to her. The elderly woman said, how much do I owe you? The cab driver said you owe me nothing. He bent over and gave her hug – she held on to him tightly and said thank you! You have given an old woman some life today!

There are no coincidences as we travel through life. This cab driver was supposed to be there for this elderly woman. God puts people in our life and we should always show our kindness.
