## GOD'S WAY - THE ROAD TO KINDNESS:

As we look around us, everyone can use a smile or a fond greeting of hello to start their day! Kindness starts with you! Here is a "Bit of Kindness" from Ralph Marston:

*"Offer a bit of kindness to life today. Offer a bit of kindness and discover how much it grows.*

*You'll find plenty of opportunities to give kindness away, yet that kindness never goes away. The more you give kindness, the more there is.*

*Looking for a quick and accessible way to get yourself positively focused? Give a bit of kindness, and elevate your perspective to a more favorable, effective place.*

*There's no limit to the goodness that will result when you give a bit of kindness. Each kindness takes on a life of its own and can keep building upon itself long after you've forgotten about it.*

*Eventually, all those bits of kindness you give will come back to you. Though you won't know exactly how, your world will be warmed by every kindness you offer.*

*Give a little bit of kindness, every chance you get. It's a gift that never stops making life better!"*

Our hope is that you will share a "Bit of Kindness" with everyone that you meet this week.

CANONIZATION

Saint  
Pope Paul VI

"In America, you are not required to offer food to the hungry or shelter the homeless. There is no ordinance forcing you to visit the lonely, or comfort the infirmed. No where in the Constitution does it say you have to provide clothing to the poor. In fact, one of the nicest things about living here in America, is that you really don't have to do anything for anybody. But when you do, you give meaning and provide soul to the concept of community...and develop a sense of purpose to something greater than one's self..."

*Paulus P.P. VI*

Saint  
Oscar Romero

"Those who surrender to the service of the poor through love of Christ, will live like the grains of wheat that dies. It only apparently dies. If it were not to die, it would remain a solitary grain. The harvest comes because of the grain that dies. We know that every effort to improve society, above all when society is so full of injustice and sin, is an effort that God blesses; that God wants; that God demands of us."

*O. B. Romero*
