PARISH MISSION STATEMENT

We, the Eucharistic Community of St. Joan of Arc Parish, by the grace of God and through our participation in His Word, the Church's sacraments, and prayer, seek our eternal salvation.

We live out the doctrines and traditions of our Faith in communion with the holy, catholic, and apostolic Church, established by Our Lord Jesus Christ.

With courage, we follow the example of our patron saint and invoke her intercession as we strive to know God, love God, and serve God which moves us to actively promote and live the Gospel of Jesus Christ in the midst of our every day life.

FROM THE PASTOR

As we begin Respect Life Month, I ask you to give thanks for the gift of life that your mother and father gave to you. The very reason you are reading this column is because you were given the gift of life! Back when we were in the midst of the Covid-19 Pandemic, we were encouraged to “listen to the science.” The sad thing is that often our listening is selective. We often hear only what we want to hear. Science tells us that when a sperm and egg come together, a whole new set of DNA comes into existence in the womb of a pregnant woman. Life truly begins at conception. It is not just a cluster of cells. Rather, it is a human being who should be guaranteed all the rights of every human being, the first right being that of life itself. I always remember the words of the model Kathy Ireland (who was formerly pro-choice but changed her mind when she looked at the science). She made the simple but true statement that none of us look the same throughout our lives. (Now ain’t that the truth!). Ireland reminds us that a newly conceived child does not look like a baby, the baby does not look like a teenager and the teenager doesn’t look like a senior. She finishes that thought by saying “But that unborn human being looks exactly the way human beings are supposed to look at that stage of development and this human life continues to grow and change.” It is simple but profound. As Psalm 139 tells us, we are “fearfully, wonderfully made!” We never lose our humanity whether we are an embryo in the womb or a young adult in the prime of life or a dependent man or woman near the end of life. We are human persons, unique and irreplaceable, no matter our stage of development. And don’t let anyone tell you differently!

Father Al

MUSIC MINISTRY AT ST. JOAN OF ARC

The following music ministries are actively seeking parishioners who may be interested in one or more of the following:

Choir: The choir is actively seeking to increase the number of members in the group. All voice parts are needed at this time, especially sopranos and altos. High school and college students are more than welcome to participate as their individual schedules permit. Choir regularly sings at the 9:30 a.m. Sunday Mass in addition to special Holy days and liturgies throughout the year. Rehearsals are Thursday evenings, 7:00-8:15, September through early May.

Resurrection Choir: The Resurrection Choir is composed of volunteers who, as their individual schedules allow, participate in the funeral liturgies at St. Joan of Arc. The function of the Resurrection Choir is to lead and support the singing of those in attendance at funeral Masses. Presently, the Resurrection Choir does not schedule rehearsals.

Cantors: Cantors lead the singing for Sunday and holyday liturgies. The main function of the cantor is to proclaim the Responsorial Psalm from the ambo and chant the verse of the Gospel Acclamation. Assistance is always available to cantors both in learning new music and reviewing what is familiar. Cantors are scheduled as their time permits.

If you are even slightly interested and/or have any questions regarding these ministries, **please contact Mike Davis, Director of Music**, through the parish office or directly following any of the weekend Masses.

THE CENTENNIAL PROJECT

Photo of future chapel taken 9/23/22

Behind the closed doors and the shuttered picture windows on the 3rd floor of the St. Joan of Arc Sand Hill School is the outline and framework of the sanctuary and seating for the much-anticipated chapel. It will be a place for both quiet meditation and joy-filled worship. It's coming soon. A year to some may seem a long time, but in God's time soon is a fraction of eternity, and to many of us who look back on our lives, it is no more than the blink of an eye. The drywall is complete and the sprinkler system is in place. The HVAC ductwork supplying the adjacent rooms has been mounted in the rafters, leaving the actual equipment for the room remaining to be installed. From there it is ceiling tiles and paint, electric supply and lights, altar, carpet, and furniture. You can get a good sense of the look and feel of the finished chapel by viewing the animated rendering on line at:

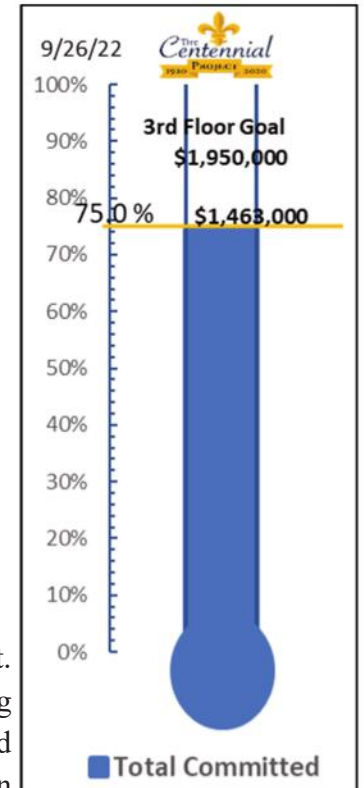

<https://www.youtube.com/watch?v=S0zANsm3Xvo>. There's a link on our Parish website.

There has been nothing but positive comments about the newly opened 3rd floor. The middle school now has its own domain and identity. The sixth, seventh, and eighth graders love it. The school has become a bustling enterprise of faith, knowledge & reason, and of music, the arts, athletics & extracurriculars. The change in three years is just mind-boggling. Expanding the Areba Avenue building now seems like a distant memory. God has blessed us with a wonderful school. Let us thank Him for the gifts He bestows.

We thank our benefactors as well. Without your financial assistance, none of this happens. There is much more to come. In addition to the chapel, we are planning a computer lab, a science lab, and at least three specialty classrooms dedicated to subsets of the major disciplines (math, science, and the humanities). So, your continued support is appreciated and much needed. There are many ways to contribute, so please consider a gift to the educational mission of St. Joan of Arc Parish.

We are also in the planning stages to develop our SJA parish family, SJA ministry, and community outreach mission through improvements to the Areba Social Hall and kitchen. Stay tuned!

Visit us at: <https://www.stjoanhershey.org/thecentennialproject.html> to learn more about how you can help.
