PARISH MISSION STATEMENT

We, the Eucharistic Community of St. Joan of Arc Parish, by the grace of God and through our participation in His Word, the Church's sacraments, and prayer, seek our eternal salvation.

We live out the doctrines and traditions of our Faith in communion with the holy, catholic, and apostolic Church, established by Our Lord Jesus Christ.

With courage, we follow the example of our patron saint and invoke her intercession as we strive to know God, love God, and serve God which moves us to actively promote and live the Gospel of Jesus Christ in the midst of our every day life.

Parishioner Milestones - Eternal Life

PARISH PRAYER INTENTIONS

The following parishioners or family members are ill. Please remember them, and all the sick of our parish, in your prayers: **William Claypoole, Philip & Patricia Spagnolo, Magda O'Connor, Heike Treadway, Aldo Morales, Jr., Marisol Willi, Charlene Broadwater, Harmony Chiccarine, Maggie & Dave Dull, Kathleen Weiss, Diane Holubek, Rosemary Connolly, Christopher Jordan, Fred Bender, Rosemarie Marone, Barbara Kayser, and Mary Beth Sheehan.**

God works in funny ways. On Christmas Day, Masses were completed, and I was ready to take Holy Communion to my mom and sister (they had Covid the week before) and then head to my brother's for Christmas dinner. A parishioner had left her purse and phone in the church and was coming to get it which delayed my leaving by a half hour or so. Just as I was leaving, I heard the sound of rushing water and alarms going off. Because of the freezing weather on Christmas, a sprinkler pipe had broken in the foyer of the Deaf School. It flooded the school, rushed down the stairs and came through the ceiling of the Youth Room down below, came into the rectory, and came out into the hallway, went down the ramp, and got as far as the gym. At that point, the Fire Department arrived because of the alarms. By the time we had turned off the water, there was around 3 inches of water all over the place. There has been rather extensive damage. The server for the parish is down below the Deaf School and we lost internet and phone service (we still cannot get incoming calls) and the carpets and some of the drywall needs replaced. I didn't get home for Christmas but if that parishioner hadn't left her purse in the church, I would have long been gone and who knows what kind of damage we would have! I made myself an omelette and a martini and enjoyed a quiet Christmas Day after all that commotion! You can see God's work in anything if you try!

Sanctity of Life Sunday

On Sunday, **January 22**, A Morning Star Representative will speak on behalf of the services provided to those in need after the 9:30 am Mass.

President Ronald Reagan instituted National Sanctity of Human Life Day in 1984. On this day, churches across the country raise awareness about core life issues like abortion (among others). Each precious baby, from the moment of conception in the womb, is a tiny miracle of Life from above. Join us in praying for each woman and man who is facing the decision of life for their unborn child. Your prayers and support for pregnancy clinics like Morning Star make a direct impact on the lives of the unborn and the hearts of mothers and fathers.

To find out how you can get involved with Morning Star, visit www.SupportMorningStar.com.

THANK YOU

The members of the St. Vincent de Paul Society of St. Joan of Arc would like to thank the parish community who so generously gave this Christmas to the 2022 Giving Tree Program. Your generous donations of gift cards, clothing and infant supplies benefit various Catholic Charities organizations, Hershey Food Bank clients, our twinning St. Vincent de Paul parish in Jamaica and the St. Joan of Arc conference of the St. Vincent de Paul Society that will allow us to help families in need during the coming year.

Other organizations that received donations were Lourdes House (mothers and infants), Evergreen House (shelter for recovering addicts), Interfaith Shelter (homeless families), the Foster Child and Adoption Program and the Behavioral Health Foster Families, Catholic Charity Outpatient Counseling, Shalom House and Catholic Worker.

May God bless you abundantly for your generosity.

Road to Kindness

Over the Christmas holiday season, we noticed many wonderful gifts that connected Kindness and being more Mindful. There was one book that really brings both Kindness and Mindfulness together – It is called the **“Power in Being KIND!”** It is a book that discusses the science of being Kind. Kindness has been studied for many years and it highlights “that being Kind is good for your health!” We will not go into all the details so if you feel inspired, get this book. It also outlines 14 days of affirmations that promote goodness and kindness towards yourself and others.

This is a great way to start the year off and our Kindness Program. In the past, we have raised up several ways to weave Kindness into our daily activities. Many of these same areas are included in the Power of Being Kind book. Our Kindness and Goodness need to shine through so that we can Lead the Way to a Kinder World!

- **Start Each Day with a Kind Intention** – put Kindness on your To Do List!
- **Smile** – a simple smile can be the “lift” that someone needs to have a wonderful day. Smile and smile often!
- **Express Compassion on Social Media** – this is really important - if you are angry stay away from writing it on a social media site. Take a deep breath! Did you know that your positive comments and social media interactions can counteract cyber-bullying? Stay as positive as you can and offer words of kindness and appreciation.
- **Volunteer or Donate Food and Other Necessities** – You can make a difference!
- **Coordinate Dinners for a Friend or Neighbor in Need** – showing that you care can be a tremendous boost for someone who may be sick, depressed or heartbroken!
- **Give Someone a Compliment!**
- **Include You in Your Kindness Practice** – notice your inner voice and see if you can change it to be more caring and less critical. Stay positive and know that you have so many wonderful qualities!

Let's continue our mission of making a difference in our parish and community by following **God's Way** – **“The Road to Kindness”** in 2023!

May God bless you and inspire you to share your Kindness with those that need it most.

Building a Culture of Life

How to Build a Culture of Life

Watching the news and reading the headlines, we may feel helpless seeing the heartbreaking lack of respect for human life. *How do we respond?* Changing the culture is a process of conversion that begins in our own hearts. When we encounter Christ, experience His love, and deepen our relationship with Him, we become more aware of our own immeasurable worth and that of others. His unchanging love is the source of our God-given dignity, which, therefore, can not be taken away. When someone is facing great trials, we need to walk with them on their journey, intercede for them, and be open to sharing Christ's love however he directs. We simply need to follow where He leads.

Our mission field is daily life.

CENTENNIAL PROJECT STATUS THROUGH 12/26/2022

Rise up in splendor, Jerusalem! Your light has come, the glory of the Lord shines upon you. (Isaiah 60:1)

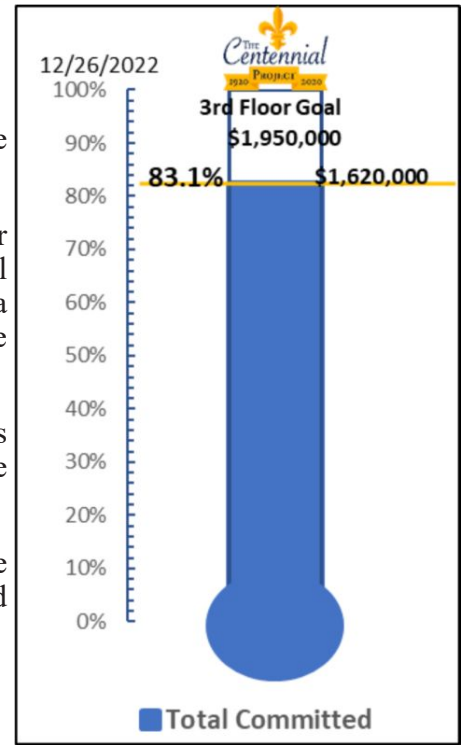

Today we celebrate the Epiphany of Our Lord. Christ is revealed to all of the nations. Let us be thankful for His many gifts to us.

Today we are reminded of the many blessings we have received in our 102-year history as the St. Joan of Arc Parish in Hershey, PA. From a small chapel in the quarries of Waltonville, to a beautiful 35-acre campus high on a hill in Hummelstown, it has been a story of meeting the needs of the community.

Across five generations, the parishioners of St. Joan have provided the means to build this vibrant congregation of faith and fellowship, a witness to the mission of Christ.

Father Al, Sister Eileen, and all the teachers, staff, and employees of the School and the Parish wish each and every family a blessed, healthy, and prosperous New Year. It's up to all of us to spread His message.
