We, the Eucharistic Community of St. Joan of Arc Parish, by the grace of God and through our participation in His Word, the Church's sacraments, and prayer, seek our eternal salvation.

We live out the doctrines and traditions of our Faith in communion with the holy, catholic, and apostolic Church, established by Our Lord Jesus Christ.

With courage, we follow the example of our patron saint and invoke her intercession as we strive to know God, love God, and serve God which moves us to actively promote and live the Gospel of Jesus Christ in the midst of our every day life.

# FROM THE PASTOR

The Fourth Sunday of Easter is known as “Good Shepherd Sunday” because each year we hear a Gospel about Jesus the Good Shepherd. In connection with this, the Church sets aside this day as the “World Day of Prayer for Vocations.” We pray in a special way for our parish that we may have an abundance of vocations from Saint Joan of Arc. We have been blessed with vocations throughout our history with priests and religious brothers and sisters from our own parish. I have no doubt that God is still calling young men to the priesthood and young women to religious life here in Hershey. May our prayers this day (and every day of the year) help those who are called to respond with a generous heart! And may God bless the priests and sisters from our parish and grant eternal rest and peace to those who have died.

I am the good shepherd

John 10:11

## MINISTRY NEWS

### Building a Culture of Life

“Every human person possesses an infinite dignity, inalienably grounded in his or her very being, which prevails in and beyond every circumstance, state, or situation the person may ever encounter. This principle, which is fully recognizable even by reason alone, underlies the primacy of the human person and the protection of human rights. In the light of Revelation, the Church resolutely reiterates and confirms the ontological dignity of the human person, created in the image and likeness of God and redeemed in Jesus Christ.”

*-Declaration of the Dicastery for the Doctrine of the Faith  
“Dignitas Infinita” on Human Dignity*

### Prayer Shawl Ministry

### Road to Kindness

Today's message this week focuses on taking the time to just **LISTEN** and stay in the present moment! Our days are filled with the hustle and bustle of school, work, our computer time, our workout time and so many other activities. During your daily activities, how many times do you interrupt someone to voice your opinion or you just “tune the person speaking out.” This happens at home too. Our children are talking to us and we find our mind drifting to work or what I have to do before I can go to the gym or watch that TV show.

**Do you know that many people are just searching for someone to LISTEN?** You have the ability during your day to bring your kindness to someone just by listening. We have so many blessings to be thankful for and some members of our parish are bringing their listening ear to those who need it the most. We thank you for being there when a family member passes away or when someone needs care.

This week, let's take the time to listen to our children. They need our ears the most when they are small and here is a wonderful quote from “Facebook.com/Motherhood.org” to take home.

*“LISTEN earnestly to anything your children want to tell you, No matter what!*

*If you don't listen eagerly to the little stuff when they are little, they won't tell you the big stuff when they are big, BECAUSE to them all of it has always been BIG STUFF!”*

Be inspired to **Be Kind**, Listen, and show that you care by following **“God's Way – “The Road to Kindness!”**

Catholic War Veterans will meet in the Parish Library on **Tuesday, May 14** at 5:30 pm. All Veterans are welcome to attend and learn more about our organization. **Any questions, contact Robert DeSousa at [cptjag@yahoo.com](mailto:cptjag@yahoo.com) or Linda Lehman at [kb3rey@gmail.com](mailto:kb3rey@gmail.com).**

Services offered at the new clinic will include basic mental health assessments and counseling, case management assistance to access community resources, various support groups and eventually basic medical assessments for referrals to medical care.

The new clinic is called Labre Clinic, after Benedict Joseph Labre, the patron Saint of the homeless.
