We live out the doctrines and traditions of our Faith in communion with the holy, catholic, and apostolic Church, established by Our Lord Jesus Christ.

The law of the Lord, the great commandment of love is not something “mysterious” or “remote.” Indeed, it is “very near” to us. Yet how difficult it is to fulfill, being neighbor to whoever is in need. But if we seek God, we must “go ahead and do the same” for we have been created in, for, and through Christ.

*The community of SJA welcomes these newly baptized children of God:*

Elodie Rose Maiolo

Reid Joseph Landis

This weekend we celebrate our Independence Day. The Fourth of July is a time for all of us to stop and thank God for the many freedoms we have as citizens of the United States of America. President Franklin Delano Roosevelt, in his 1941 State of the Union Address, spoke about four freedoms which are at the heart of what it means to be part of this country. He spoke of the Freedom of Speech, the Freedom of Worship, the Freedom from Want and, the Freedom from Fear. Norman Rockwell famously illustrated these four freedoms in four large paintings which beautifully and symbolically depicted each freedom. As Catholics, we are called to be especially grateful for the freedom to worship. Many Christians (and those of other religions) are regularly denied the right to worship throughout the world. But we must be careful to distinguish the freedom to worship from the freedom of religion. Often the right to worship is seen as a personal, private choice and, therefore, belongs only to the private sphere. It is almost as if critics are saying, “Worship however you want but do not bring it into the public sphere.” Freedom of religion is a much broader concept. The freedom to practice our religion is much more than the act of worship. It entails speaking about our faith openly, being part of the public sphere (and the political process), and to have the same rights as every citizen in living out our beliefs. We can never be afraid to espouse our Catholic faith wherever we find ourselves: at home, work, in the community, in the voting booth, in all times and places.

## STEWARDSHIP

*Managing God's Gifts To Us*

### We Are A Tithing Parish Following God's Plan For Giving

Weekly Tithing: \$24,063

Weekly Budget: \$27,308

Year to Date Budget Variance: \$12,251

### How Much Should I Be Giving?

In our Catholic faith "Tithing" is understood as giving 10% of your gross income - with 5% being given to the Church and 5% being given to the poor.

Tithing is a responsibility for all Christians and should be taken very seriously. However, there are legitimate exceptions to tithing such as family members living in poverty with very little money to cover their basic needs. Those who have the ability should make their best effort to tithe. Those who say their budget does not allow them to tithe but are buying things that are unnecessary, should look at where they are able to cut discretionary spending. By cutting discretionary spending, they are placing God before themselves. Regardless of the circumstances, every family should try to sacrificially give something no matter how small the gift. Jesus gave us an example of this in Mark 12:41, where the poor widow gave a few pennies from what she had to live on. In Tobit 4:8, Tobit tells his son Tobiah, "Son, give alms in proportion to what you own. If you have great wealth, give alms out of your abundance; if you have but little, distribute even some of that. But do not hesitate to give alms.

**Planned Parenthood fact #6 from the USCCB**

6. Planned Parenthood doesn't believe in a "right to choose" against abortion.

"Freedom of choice" does not apply to those who disagree with PPFA. It opposes laws recognizing conscience rights for doctors, nurses and health facilities with moral or religious objections to abortion, dismissively referring to conscience clauses as "refusal clauses."<sup>8</sup> Planned Parenthood strongly supports U.S. funding of the U.N. Population Fund (UNFPA), and closely partners with that agency internationally despite its involvement in the Chinese population program using coerced abortion and involuntary sterilization.<sup>9</sup> Such coercion is recognized internationally as a crime against women.<sup>10</sup> PPFA also opposes conscience rights for pharmacists who object to providing "emergency contraception" drugs due to their abortifacient potential, and thinks even religious orders like the Little Sisters of the Poor should be forced to include these in their health plans.<sup>11</sup>

**Catholic Charities Come and See Dinner**

Mark your calendars now for the annual Catholic Charities Come and See Dinner that will take place on Wednesday, September 21, 2016 at the Cardinal Keeler Center. We are pleased to welcome Linda Schaefer as our guest speaker. Linda is a photographer by trade, and she was the last photojournalist to be given permission by Mother Teresa herself to photograph the work of the Missionaries of Charity, and her journey 21 years later as a witness of Mother Teresa's legacy. In addition, Linda was the very first Come and See Dinner speaker in 2006. With the upcoming canonization of Mother Teresa this September 4th, Linda's story will undoubtedly be timely and insightful. More event details will follow as the event approaches.
