FROM THE PASTOR

My trip to the Holy Land was an amazing journey! The travel and pace of the pilgrimage was brutal and I came back with a horrific cold but I wouldn't change the experience for anything in the world. To walk in the footsteps of Jesus was deeply spiritual for me. It made it very clear to me that the incarnation of God in Jesus of Nazareth is the greatest act of love the world has ever known. One becomes very aware of the poverty, the politics, and the human drama of the life, death and resurrection of Jesus; very much like our own world.

While I was there:

- I remembered St. Joan of Arc at every Mass.
- On Mount Carmel, I offered Mass for all Carmelites, especially the sisters whom I served as chaplain in Elysburg.
- On Mount Tabor, the place of the transfiguration, I offered Mass for our school and religious education program and for the success of our third floor project.
- In Bethlehem, I offered Mass for my Mom and gave thanks for the gift of life she gave to me.
- I offered Mass in the Garden of Gethsemane for my family and all those who have fallen away from the faith.
- At Mount Calvary, I offered Mass this past Sunday for our parish of St. Joan of Arc and for an increase of holiness in all of us.
- On the last day, I offered Mass for our Bishop, the priests and deacons of our diocese, an increase of vocations to the priesthood and religious life, and for a good and holy Bishop in the future.

I look forward to sharing with you many other details of my pilgrimage!

Building a Culture of Life

OPTIONS FOR THE POOR AND VULNERABLE

A basic moral test is how our most vulnerable members are faring. In a society marred by deepening divisions between rich and poor, our tradition recalls the story of the Last Judgement (Mt 25:31-46) and instructs us to put the needs of the poor and vulnerable first.

Road to Kindness

Beginning with Ash Wednesday on February 22, the Lenten Season is the perfect time to reflect on God's love for us and to pass that love on. To share a very special quote from Mother Teresa:

“God has created us so we do small things with great LOVE. I believe that in great LOVE, that comes, or should come from the heart, should start at home; with my family, my neighbors across the street, those right next door. And this LOVE should then reach everyone.”

We are excited to kick off our sixth annual **Lenten Kindness Program** with our children and teens in our School, REP, The Edge and Life Teen classes and also our parish community. We are again providing a Lenten Kindness Activity Guide for the 40 Days of Lent. The Guide is filled with Kindness Activities that you can do individually or as a family. The Guide will be provided to each student and included on the St. Joan Parish website.

Let's all show our caring heart and make it the most beautiful Lenten Season. Let's all get inspired and share your Kindness with someone. Enjoy this week and the beauty of the Lenten Season by bringing Kindness to every day and by following God's Way – “The Road to Kindness!”

2022 was a difficult year with the ongoing socioeconomic and political crisis in Haiti which brought civil unrest against the government of Haiti, armed gang violence and fuel shortages. Our pastor, Father Mario, continued construction on a new rectory in the first half of the year, but it was halted due to unsafe conditions. Sadly in the fall, we received word that Father Mario had passed away suddenly due to illness. He will be greatly missed as we keep him in our prayers. We now have a new pastor, Father Jean Mérat, whom we are in communication with and look forward to getting to know better in 2023. He is continuing construction of the rectory and will ensure that the school children are fed and the teachers are paid.

*The Parish Office will be closed on February 20th in observance of Presidents' Day.
We will re-open on Tuesday, February 21st for normal business hours.*

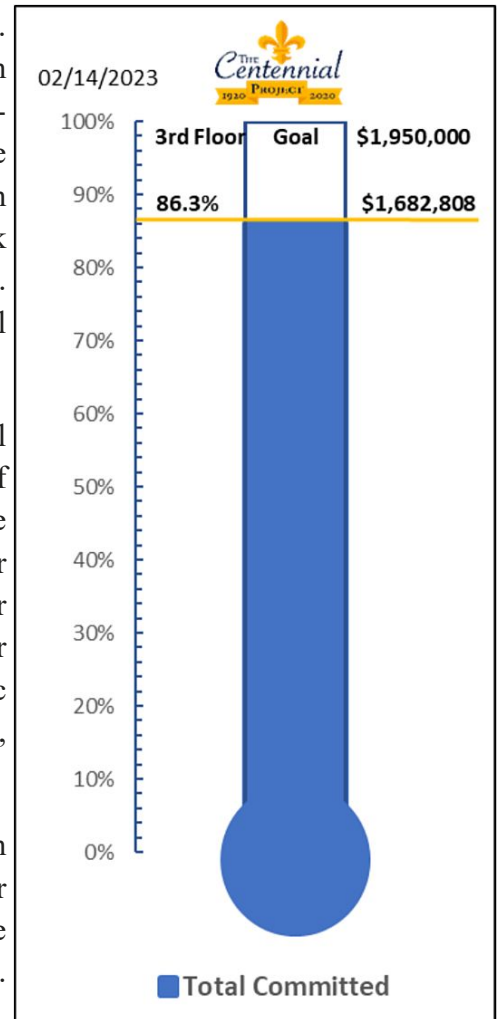

CENTENNIAL PROJECT

Ash Wednesday and the Lenten season begin this week. Although it may feel like a long time ago, it's only been three years since our church was shuttered by the Covid-19 lockdown. The stress of isolation, especially from the Eucharist, tested our faith. Lent provides the opportunity for introspection and renewal. Let us re-examine our lives now in light of what we felt back then. Suffering is certainly part of the human condition, but so is resilience. Let us not forget to exercise our prayer life, and work on our spiritual conditioning. It will pay dividends when we face difficult times.

Saint Joan of Arc School is a safe harbor for the academic and spiritual formation of our children. Intuitively, we recognize the importance of educating them in the traditions of our faith and guiding them to become responsible citizens serving the needs of the greater community. Whether it's our Religious Education Program (REP), or our parochial school, our children develop the internal compass required to navigate the secular culture. If we are to safeguard the integrity of the family as the core fabric of our society, it is our duty as parents to provide them with the spiritual, moral, and academic tools to enable their success.

The rapid expansion of our school to meet the great demand for a St. Joan education would not have been possible without your financial support. For those who are still on the fence or have not yet considered a gift, we invite you to visit us, in order to experience the loving and nurturing environment. You will witness firsthand the fruits of your generosity.

You can view a three and a half-minute video on the positive impact of the new school on the students:
