

Matching Gift Campaign

How Does It Work?

Our Matching Gift Campaign is simple! We are looking for additional households to help us establish a pool of matching funds. The response has been so phenomenal that we are extending the program to ensure that Father Al's vision is met and to help reduce the overall debt. We will reach out to those in our parish, school, and community to let them know of this 1:1 matching opportunity. A matching gift allows other donors, who may not have the means to give a large gift, see their contribution go twice as far.

Why Participate?

Matching Gift Campaigns are very powerful tools for raising needed funds in a campaign. They are a fantastic way to excite others in the parish and school about giving. If you want to increase the impact of your personal donation, contributing to our The Centennial Project Matching Gift Campaign can be a great way to do so!

We Need Your Support!

St. Joan of Arc is asking a handful of our generous families to inspire other households to contribute to The Centennial Project campaign by participating in our Matching Gift Campaign. This 1:1 matching gift would help St. Joan of Arc raise the funds needed to complete renovations on the third floor of the school, expansion of the kitchen and renovation of the Social Hall.

“The Centennial Project will allow St. Joan of Arc to continue to expand to meet the needs of our parish, school, and community. There has never been a better time to look to the future than now!”

- St. Joan of Arc Parishioner
