PARISH MISSION STATEMENT

We, the Eucharistic Community of St. Joan of Arc Parish, by the grace of God and through our participation in His Word, the Church's sacraments, and prayer, seek our eternal salvation.

We live out the doctrines and traditions of our Faith in communion with the holy, catholic, and apostolic Church, established by Our Lord Jesus Christ.

With courage, we follow the example of our patron saint and invoke her intercession as we strive to know God, love God, and serve God which moves us to actively promote and live the Gospel of Jesus Christ in the midst of our every day life.

FROM THE PASTOR

A few updates from the parish:

- Our 50th Annual Parish Festival was a great success! The weather was perfect, the crowds were great, and our profit was the best ever (more on that when we get the final number)! Special thanks to Karen Willey, Paul Schroeder, and Gary Zemba and our wonderful Festival Committee! Of course, it would not happen unless so many of you came out to volunteer and support the festival. Thank you and God bless you!
- The solar panels are being installed at our school and the chapel is being worked on this summer. We should be proud to be the first parish to make use of solar energy as well as the first to have a real chapel for our grade school. I can't wait to see it completed! We are in the process of finding a date for Bishop Senior to come to our school in the Fall and bless the chapel. More information in the future on when that will be.
- I am envisioning the chapel being used by our parish at Christmas and Easter (instead of the gym). A reminder that we have an elevator that goes to the 3rd Floor so access is not a problem. Other events (retreats, conferences, etc.) will be possible in this space as well.
- Next Saturday, June 29th, is the Solemnity of Saints Peter and Paul. Let us remember, and ask intercession of, these giants in the faith as we pray for our Church and parish!

Father Al

SENDING OUR CONDOLENCES

Building a Culture of Life

On Human Trafficking-continued

For these reasons, the Church and humanity must not cease fighting against such phenomena as “the marketing of human organs and tissues, the sexual exploitation of boys and girls, slave labor, including prostitution, the drug and weapons trade, terrorism, and international organized crime. Confronted with these varied and brutal denials of human dignity, we need to be increasingly aware that “human trafficking is a crime against humanity.” It essentially denies human dignity in at least two ways: “Trafficking profoundly disfigures the humanity of the victim, offending his or her freedom and dignity. Yet, at the same time, it dehumanizes those who carry it out.”

Road to Kindness

First, we hope that all the Father’s had a wonderful Father’s Day last weekend.

Spending time together as a family, especially during the summer months, is so important! God’s Way – “The Road to Kindness” is still working all summer! In this bulletin, we wanted to raise a few exciting ways to spend time with your children and highlight some special Summer Family Kindness Activities.

First, many of us are busy planning summer vacations and some families may decide to stay at home this summer due to high gas prices, etc. If you decide to stay at home and spend time together, we want to raise a fun way to enjoy time together. There are many activities that you could use to create a fun family Olympics event. All the games, such as corn hole, wiffle ball, bocce ball, exercises, etc. can be turned into events. Making it fun family time! You could even have the winners of the events pick the Kindness activity they want to do as a family for their community! This is all about connections – connections with your children, family and your community!

The main point is that there are many ways where we can spend time together as a family doing fun activities that lead to sharing our Kindness and doing Kind Acts in our communities!

Enjoy the summer and let’s all follow God’s Way – “The Road to Kindness.”

Join the Knights of Columbus
